Learning Enhancement – Activation

Hypnosis Induced Deepener set

Now relax even deeper, and as you do, you imagine, notice or even know that a new confidence and a take-charge attitude of success is truly emerging from deep within you. And right now, you choose to rise above, take and utilize all of your inner power and act confidently, confidently taking and passing all necessary tests and exams, with certainty, clarity, ease, strong and sharp focus, even stronger mental recall. Right now, you truly allow yourself to flourish, in thought, in word and in deed, and in fact, you succeed, of course you can and you do right now. You relax right now and you truly realize that you have never ever failed, you have either learned or have succeeded. You truly know that failure is false, failure is an illusion, failure is unreal, because in fact you always succeed. But right now, you are so relaxed and so deeply focused and you are succeeding, succeeding as never before, because you are confident, clear, sharp, focused and in your zone, you are empowered as never before, meeting and succeeding at, even exceeding all of your goals. All that you do and all that you actually are, is about success, your limitless success. You are success!

You see yourself, your forever emerging self- succeeding and passing, now realize it, you know it, for this is truly you. Taking a test in a relaxed, clear and confident manner, you are glowing both inside and out with confidence and total recall, in knowing confidence, powerfully self-assured, you are feeling good all over and in every way. You feel good physically, emotionally, mentally and even spiritually, because you are truly supported by your knowledge, you are truly supported by your ability to reason and you are supported by all that is your life. You feel strong, because you are strong, confident and very capable. In this vision, think about seeing yourself, you've passed. You've succeeded. See this future you, you know this future you, this is in fact who you are right now in the most important ways and in each and every way. This you stands tall, is strong and is smiling both on the inside and even on the outside, smiling with a warm self-assured glow of confidence and success, with a warm and a very confident heart. You are successful, you have succeeded, there is only this option. And you right now, liberate this vision of you, right here, into the right now, from now on and from this moment forward, you are one with this vision, you are one with your success and you are in harmony with yourself and all that you have learned and with all that you can reason. You are truly proud, confident, capable, comfortable, relaxed, strong, fearless, and courageous. You live in dynamic ways, forever free from all former symptoms of struggle, which are gone from you and your life, forever. You are now one with your future and you accept and own your limitless inner power and you really live your life, courageous, motivated, able and able to remember and to think and reason, you are motivated, and you embrace success in the most amazing ways, for you realize you are the power in your life and you utilize this power, in limitless ways, benefiting you and all whom you help, use all that you are to open up in the most complete ways all that You are in each and even moment.
